

THE WHOLE YEAR ROUND.

Women Everywhere Use **Pe-ru-na**.

MRS. LYDIA H. JESSELYN
Tired, Worn-Out Mothers.
Mrs. Lydia H. Jesselyn, 501
Westminster St., Providence,
R. I., is Treasurer of the
League of Rhode Island, char-
tered in Providence. She writes:
"My experience with **Pe-ru-na**
has been most gratifying. Last winter
I contracted a severe cold, and for several
days I coughed until my voice failed me.
I decided to try **Pe-ru-na**, and within four
days the cold was broken up, and the
cough abated."
"Within another week an increase in
my nasal strength and vitality told me
that **Pe-ru-na** was doing all that it pro-
mised, and more. I also consider it very im-
portant for worn-out mothers, and
have advised several to try it, and have
seen most gratifying results from its use.
I give it highest praise."

MRS. JOHN UNDERWOOD
Suffered With Stomach.
Mrs. John Underwood, 20 W. W.
St., Columbus, Ohio, writes:
"I was having had catarrh and stomach
trouble and having suffered very
much, after being doctored a long
while, as a last resort took **Pe-ru-na**.
The result was wonderful. I would
heartily recommend it as a good reme-
dy. I still use **Pe-ru-na** and would
not be without it. I always have it
in the house."

MRS. EMILY KELLOGG
Bilious Headache.
Mrs. Emily Kellogg, 646 S.
Lawrence St., South Tacoma,
Wash., member of Ladies of the
Maccabees, writes:
"Three months ago I had an
attack of biliousness which
threatened to undermine my health and
strength. Luckily for me, I tried **Pe-ru-na**
at the suggestion of my friends before it
was too late."
"I found in a few days time that I did
not have the usual sick headache, nei-
ther did food taste as any longer. In
two weeks' time **Pe-ru-na** had completely
rid my system of the poison and bile,
and I was in a much better condition.
My skin assumed its normal color, I had
a splendid appetite, and I was in every
way improved in health. I used **Pe-ru-na**
for a month longer, and it wrought a
wonderful change in my entire system. I
consider it a most wonderful medicine."

MRS. JENAR MOUDY
Biliousness, indigestion.
Mrs. Lena R. Moudy, 605 Caywood
St., Portland, Oregon, Sec'y Royal
Tribe of Joseph, writes:
"For the past six years biliousness
and pain in my back and limbs made
life miserable to me. My skin was
sallow and dry, and indigestion was
added to my troubles. I was wakeful
at night and would get a weak,
faint feeling during the day so that
I was not fitted to attend to my regu-
lar duties. This caused me serious
anxiety and trouble, and I natu-
rally tried many remedies, hoping to
get relief."
"**Pe-ru-na** came as a friend in need.
It toned up the system, relieved the
blood of the poisons and induced a
healthy action of the stomach, a fine
appetite and peaceful sleep."
"Within three months I was
changed person, and for nearly a year
now I have enjoyed splendid health."

MISS BESSIE B. FARRELL
Nervous Dyspepsia.
Miss Bessie Farrell, 1011 Third
Ave., Brooklyn, N. Y., is President
of the Young People's Christian
Temperance Association. She writes:
"**Pe-ru-na** is certainly a valuable
nervine and blood remedy, calculated
to build up the broken-down health
of worn-out women. I have found
by personal experience that it acts as
a wonderful restorer of lost strength,
assisting the stomach to assimilate
and digest the food, and building up
worn-out tissues. In my work I have
had occasion to recommend it fre-
quently, especially to sick women."
"I know of nothing which is better
to build up the strength of a young
mother, in fact all the ailments pecu-
liar to women, so I am pleased to give
it my hearty endorsement."

MRS. JOSEPH VITTUR
Catarrh of Head.
Mrs. Joseph Vittur, 5209 Erie St.,
Austin, Tex., Chicago, Ill., writes:
"Your medicine, **Pe-ru-na**, was of
great benefit to me. I suffered with
catarrh of the nose and head for many
years. Three bottles of **Pe-ru-na** cured
me, after I had considered it impos-
sible to ever be cured again."
"I now always keep **Pe-ru-na** in the
house, and recommend it to every
one suffering from catarrh. As soon
as one of my children commences to
cough I give them **Pe-ru-na**, and their
cough is soon gone."
"This medicine is surely a great
boon to suffering humanity."

Pe-ru-na the Family Doctor.
Mrs. M. E. Seymour, R. F. D. 3, Bow-
man, Ga., writes:
"I am ready to speak a few words in
favor of **Pe-ru-na** and Manalin. I have
tried them for nearly every ill of life for
myself and family, and find them to be
all the doctor claims them to be. **Pe-ru-na**
cured me of internal trouble when my
doctor could not."
"My advice to all suffering women is,
consult Dr. Hartman. What he has done
for me he will do for you."

Pe-ru-na in Tablet Form.
For two years Dr. Hartman and his
assistants have incessantly labored to
create **Pe-ru-na** in tablet form, and their
wonderful success has just been crowned
with success. People who object to
liquid medicines can now secure **Pe-ru-na**
tablets, which represent the medicinal
ingredients of **Pe-ru-na**. Each tablet is
equivalent to one average dose of **Pe-ru-na**.

Pe-ru-na a Woman's Friend.
Mrs. Ella E. Emery, Clark, Mo., writes:
"I am feeling better than I have for
years. I can truthfully say that **Pe-ru-na**
is a woman's friend. I have no more
terrible pains and am stronger than I
have been. Your medicine has worked
like a charm."

INSTANTLY KILLED FRIDAY MORNING

JOE BYERS AND ED CARTER HAD
THEIR WAGON HIT BY PAS-
SENGER TRAIN NO. 20
FRIDAY AT NOON WITH
FATAL RESULTS.

Did Not See The Train Approaching
Till The Team Was on The
Track—Both Men And One
Horse Killed—Wagon
Completely Demolish-
ed.

Joe Byers and Ed Carter two
prominent farmers living south
of Benton City had their wag-
on hit by passenger train No.
20 about noon Friday at cross-
ing east of the depot at Ben-
ton. The two men and one
horse were instantly killed and
the wagon demolished.

The men had been to Ben-
ton where they had delivered a
load of hogs Friday and were
on their road home when the
fatal accident happened. The
men did not notice the train
approaching when they reach-
ed the crossing till the team
was on the track. An effort
was made to back the team off
but the train had hit the wagon
before the track could be clear-
ed.

Both gentlemen were married.
Mr. Carter leaves a wife
and seven children. Mr. By-
ers leaves a wife.

This is one of the worst ac-
cidents that has happened in
this county for years, and is
one of the saddest to befall the
community. Mr. Byers and
Mr. Carter are both well known
in Mexico and Audrain county,
and that both should come to
such an untimely death is a
great shock to their families.

Joe Byers is a son of Mr. and
Mrs. Joe Byers, of this county,
born and raised in Audrain,
and was well thought of by all
who knew him. Mr. Carter is
as equally well known and, like
Mr. Byers, numbered his friends
by his acquaintances.

The Ledger joins the com-
munity in extending deepest
sympathy to the bereaved
ones.

Lee Bros. were here from Mexico
Friday buying shipping horses. They
bought 14 from different parties rang-
ing in price from \$125 to \$200. These
gentlemen are good buyers and al-
ways do the right thing by their cus-
tomers.—Centralia Courier.

Leap Year Ball at Elks.
One of the most enjoyable functions
given this season was the leap year
ball at the Elks club rooms Thursday
evening. There were twenty-one
couples present, and those who did
not dance passed the evening very pleas-
antly playing cards.

The music was furnished by Dr.
Bob Hesser and Miss Julia Goodman,
both of Louisiana, and was a very de-
lightful part of the entertainment. A
light luncheon was served, which was
greatly enjoyed by each person pre-
sent.

New Train on Wabash.
It is rumored in the railroad circles
in Moberly that the Wabash will run
another train from Moberly to St.
Louis, this train making connections
with No. 60 which arrives in Moberly
at 8 o'clock from Kansas City. This
train gives more accommodations to
Clark people than any other train and
it is hoped that the Wabash will again
put this train into service. It will ar-
rive in Clark about 9 o'clock.

**Fire Destroys Plant of Live Stock
Reporter.**
The plant of the Daily Live Stock
Reporter at the National Stock Yards,
East St. Louis, was destroyed by fire
yesterday evening. The fire was dis-

to have started in the mailing room.
The newspaper occupied a two story
brick building behind the exchange
building. Damage \$7000.—Globe Dem-
ocrat.

be splendid remedies.

Miss Snidow Entertains.
The following from the Perry En-
terprise will interest Miss Snidow's
many friends in Mexico: Miss Snidow
is teaching in Perry.

Miss Fiamma Snidow entertained
Saturday night at the elegant home of
Dr. and Mrs. Hickman, by giving a
candy pulling to her young friends in
honor of Miss Seaman, of La Bell. It
was a very "sweet" affair and Miss
Snidow proved herself a royal enter-
tainer.

Dr. Crawford to Leave.
Dr. M. E. Crawford will move to
Camden, Mo., where he will locate
for the practice of medicine. Dr.
Crawford has been one of Mexico's
most prominent physicians, and has
enjoyed a good practice the many
years that he has resided in this city.
Dr. Crawford leaves Monday for his
new home, and will move his family
there as soon as he can make arrange-
ments.

The Ledger wishes the Doctor suc-
cess in his new home.

Because reason is so busy they are
consumed in great excess. This leads
to stomach troubles, biliousness and
constipation. Revise your diet, let
reason and not your pampered appetite

Tablets and you will soon be well
again. Try it. For sale at C. A.

Mrs. Bradley Dead.
Mrs. Mattie G. Bradley, aged 53
years, died Thursday afternoon, about
two o'clock, at the home of her daugh-
ter, Mrs. M. Johnson, in northwest
Mexico. Mrs. Bradley had been in
poor health for some time. Her death
was caused from a complication of
diseases.

The deceased leaves two children to
mourn her loss: Mrs. M. Johnson
and Chas. Bradley, both of the city.

The Ledger joins other friends in
extending deepest sympathy to the
bereaved ones.

Miss Allene Cathoun.
Miss Allene Cathoun will take Mrs.
Darnaby's place as singer at the Grand Opera
house. Miss Cathoun is a singer.

ance of the "Fall Guy" at that
place. Mrs. Darnaby will be away

day on business.

PE-RU-NA IS A HOUSEHOLD NECESSITY IN OVER ONE MILLION HOMES.

THE CHILLIBOTHE CONSTITUTION has
the following to say in reference to
its revenue tax: "Don't let anybody
fool you on the tax question. The
heaviest tax that Chilliobthe has
to pay is to the brewers, the dis-
tillers and others who profit from
the saloon business. Fulton which
has no saloons, has a 35 cent city
revenue tax. Chilliobthe, with
saloons, has a 50 cent revenue tax.
How does that look to the saloon
figureman?"

"The country newspaper of Okla-
homa has raised the price of their
subscription from \$1.00 to \$1.50
and \$2.00 per year, paid in advance.
Referring to this matter the Gaymon
(Okla.) Herald says: 'The recent
advance in print paper, together
with threatened further increase
in cost, have been the cause of this
jump. The first paper to raise the
price of this initiative is the Texoma
Times, which announced last
week that hereafter the charge for
subscription would be \$1.50. This
may seem pretty tough to
subscribers, but the newspaper
boys have to do it as a matter of
self protection. The Herald has
been contemplating this same
change for some time, but will
not put it into effect for a while.
Even at \$1.50 there is nothing in
the publishing of a newspaper if a
newspaper has to depend on its
circulation alone. The rise in
stock prices and labor more than
make up this difference of the addi-
tional 50 cents. Every quotation
we get on paper from Kansas City
seem to have a slight advance with
the little sentence added at the
bottom, 'Prices subject to change
without notice.' Therefore we
give the notice that, while we are
not certain just what price we
will charge, there will be an
advance in the Herald subscrip-
tion price in the near future. What-
ever that may be we will make
the paper well worth the price
and will give all our readers
due notice when the change will
take place, that all may have an
opportunity to profit thereon.'"

The Maryville Republican publish-
es an editorial discussion of newspa-
pers and the public, which the Ledger
reprints with pleasure and approval.
Newspapers are supported by the
community in which they are pub-
lished, and the newspapers therefore
should exist for the benefit of their
community. They should all favor
anything that is for the benefit of
their city or county. A newspaper
cannot consistently ask for support
unless it works for the welfare of its
patrons. The public should therefore,
